## ***Creativity & Passion***

We are first and foremost passionate creators. Four industrial designers with complimentary experience and skills, working hand in hand since 20 years to develop products that are both well thought-out and perfectly adapted to their intended use. We are somewhat obsessed with details that make a difference and bring the product to another level.

Our satisfaction comes from seeing the smile of a client that confirms the comfort of a chair or from another coming up to us to say that their outdoor light still provides them with enjoyment after ten years.

Through the years, we have designed and developed hundreds of products, which make us, without any pretention, the most experienced designers of rotationally molded products in Canada.

We are committed to always improving our products and our ways and to do it while respecting the environment and with sustainable development in mind.

## ***Hello greens!***

All the plastic material that we use are completely recyclable. Black coloured products are made of 100% recycled resin. Furthermore, our manufacturing process, rotational molding, does not produce any plastic waste or residues.

# WARRANTY

Twist is very proud of the quality of its products. Each component is inspected at every manufacturing step. To confirm Twist's total confidence in its products, the company guarantees the first purchaser the rotational casting components for a 5-year period and the other components for a 1-year period against any defect in material or manufacturing. For commercial use, the warranty is 1 year.

The only Twist liability and the only recourse of the purchaser under this guarantee will be the obligation to replace or repair defective components as long as the said defects are not attributable to improper usage or a usage that does not comply with the directives stated in the maintenance manual.

To fully benefit from the service offered in the warranty, you may contact your retailer or Twist. A written permission from Twist is mandatory before returning a defective product for inspection.

Any product found defective within the delays stated in the warranty will be repaired or replaced FOB Quebec City if it is sent to the plant with freight costs paid in advance. Twist reserves the right to credit or replace the product or component with new or upgraded parts.

Under no circumstance would Twist accept any responsibility for indirect or fortuitous damages in relation thereto the sale and usage of its products. This denial will remain valid throughout the warranty and after it expires.

The warranty provisions are in addition to the legal warranties and other rights and remedies pursuant to any legislation, without modifying them or excluding any part whatsoever.
