Creativity & Passion

VOLUME 17

2026

Creativity & Passion

We are first and foremost passionate creators. Four entrepreneurs who are committed to research and development to offer well thought-out and perfectly adapted to their intended use. We are somewhat obsessed with details that make a difference and bring the product to another level.

Our satisfaction comes from seeing the smile of a client that confirms the comfort of a chair or from another coming up to us to say that their outdoor light still provides them with enjoyment after ten years.

For over 20 years, we have designed and developed hundreds of products, which make us, without any pretension, the most experienced designers of rotationally molded products in Canada.

We are committed to always improving our products and our ways and to do it while respecting the environment and with sustainable development in mind.

Hello greens!

All the plastic materials that we use are completely recyclable. Black coloured products are made of 100% recycled resin. Furthermore, our manufacturing process, rotational molding, does not produce any plastic waste or residues.

SIESTA

LOUNGE CHAIR

Material : LLDPE, Linear low-density polyethylene

Material thickness (In) : 0.178

Dimension (In): 30 x 80 x H28

Weight : 88 lb / 40 kg

UV Protection : 20 years

Meets UL94HB flammability standard

This product has been designed to be used in the shallow part of a pool **as deep as 6"**
The foot under the SIESTA has been removed since 2023

Part number

SI.000

Colors

	.13 Snow white		.79 Fuchsia
	.42 Black		.82 Ocean Blue
	.47 Anthracite		.92 Electric blue
	.50 Sandstone		.97 Cobalt

CILO

SIDE TABLE

Material : LLDPE, Linear low-density polyethylene

Material thickness (In) : 0.178

Dimension (In) : Ø13.5 x H18

Weight : 8 lb / 3.5 kg

UV Protection : 20 years

Meets UL94HB flammability standard

This product WITH ADDED WEIGHT has been designed to be used in the shallow part of a pool **as deep as 9"**

Part number

CI.000 (Standard)

CI.0PO (Added weight, +3 kg)

Options

LIGHT KIT FOR SUSPENDED MO.290	99.000.24
ADAPTER ARTIFICIAL TREE FOR STELLA	99.000.26
HARDWARE KIT FOR STELLA	99.000.37
KIT COMPONENTS BLOOM	99.000.38
ADDED WEIGHT (1.5 kg)	99.000.39
FIXING KIT FOR CURVA	99.000.50

ANCHORS

Most Twist products have an optional ground fastening system.

This system will protect your products from the wind, overthrow risks or unwanted movements. It will also help prevent theft and vandalism.

Find the right anchor for your product

TYPE A AN.000.75 For use with the following products PH.000, PH.100, PH.200, TE.000*, TE.100*, TE.200*, HA.000, HA.200, HA.050*, HA.250*, MS.000, MS.100, NL.000	TYPE B 99.000.15 For use with the following products MO.000 MO.100	TYPE C 99.000.27 For use with the following products MO.200	TYPE H 99.000.34 For use with the following products FO.000 FO.050

* For the unilluminated planters, anchor must be specified with the order

SPÉCIFICATIONS

Units of measurement are in the International System of Units (SI). Dimensions shown may vary slightly from the actual product sold.

Colors are an approximation of the actual color of the product. The color of a lighting product will appear paler when powered on.

Extreme temperature changes (e.g., a cold night followed by a warm, sunny day) can cause the air inside the product to expand, resulting in short-term shape changes.

Due to the nature of the rotational molding process, the flat surfaces of ODEM products may exhibit slight ripples that do not affect the product's strength or durability.

GARANTIE

Twist is very proud of the quality of its products. Each component is inspected at every manufacturing step. To confirm Twist's total confidence in its products, the company guarantees the first purchaser the rotational casting components for a 5-year period and the other components for a 1-year period against any defect in material or manufacturing. For commercial use, the warranty is 1 year.

The only Twist liability and the only recourse of the purchaser under this guarantee will be the obligation to replace or repair defective components as long as the said defects are not attributable to improper usage or a usage that does not comply with the directives stated in the maintenance manual.

To fully benefit from the service offered in the warranty, you may contact your retailer or Twist. A written permission from Twist is mandatory before returning a defective product for inspection.

Any product found defective within the delays stated in the warranty will be repaired or replaced FOB Quebec City if it is sent to the plant with freight costs paid in advance. Twist reserves the right to credit or replace the product or component with new or upgraded parts.

Under no circumstance would Twist accept any responsibility for indirect or fortuitous damages in relation thereto the sale and usage of its products. This denial will remain valid throughout the warranty and after it expires.

The warranty provisions are in addition to the legal warranties and other rights and remedies pursuant to any legislation, without modifying them or excluding any part whatsoever.
